Gary Wayne's 2014 '*The Genesis 6 Conspiracy*' book explores the existence of modern-day descendants of the Nephilim. According to Wayne, these bloodlines are central to satan's scheme to install the anti-Christ at the End of Days, a plan initiated after lucifer's expulsion from heaven. To sustain this plan, satan is said to have enlisted secret societies such as the Freemasons, the Templars and the Rosicrucians to promote a theology and history contrary to the Biblical narrative.

The following is an extract from '*The Genesis 6 Conspiracy*'. This is the second part of '*Chapter 73: Secret Societies and The New Age of Atlantis*'. You can read the first part HERE and a synopsis of chapter 73 HERE.

Trilateral Commission, Bilderbergers, Club of Rome, and Skull and Bones

The Trilateral Commission specialises in promoting world government through encouraging economic interdependence among the superpowers. It is a derivative of the CFR [Council on Foreign Relations] that began with the CFR's and the Bilderbergers' blessing at the Rockefeller estate in Tarrytown, New York, 23 July 1972.[15] The commission was formed by Rockefeller, along with Henry Kissinger and Carter's future National Security Advisor Zbigniew Brzezinski,[16] and it drew its inspiration from Brzezinski's book *Between Two Ages*, [17] Carter, according to Sylvia Browne, was an unknown governor until the Trilateral Commission funded ad popularised him, ensuring Cater would become president.[18] The DFR usually leads this organisation;[19] members must, however, derive from the three economic superpowers – North America, Europe, and Japan – to foster better cooperation. [20]

According to [Gary] Kah, the Trilateral Commission believes in a global government, a global monetary system, and a global tax policy.[21] It stands for global socialism built upon those who have subsidised these tenets. Expect that Western nations in the future will be enslaved to support the have-not nations of the world.

The Bilderberger organisation of Europe is yet another highly influential group of intrigue that is sponsored by the banks, the Rothschilds, and the Rockefellers, along with other globalist forces.[22] Some powerful Freemasons consider the Bilderbergers to be the most clandestine and sinister secret society of all.[23] It consists of approximately one hundred of the power elite from the NATO countries, maintaining its leadership from among CFR members. It was initially funded by National City Bank, the Morgan Trust, Standard Oil, Ford, and DuPont.[24]

In 1937, Prince Bernard married Princess Julianne of the Netherlands. Becoming a major shareholder in Shell, along with Lord Victor Rothschild.[25] The Bilderbergers were founded in 1954 by Prince Bernard, at the urging of Lord Victor Rothschild, to bring together the world's most powerful figures once a year to meet on an agenda that is always kept secret. [26] The (tax-exempt) Rockefeller and Ford Foundations, in turn, fund this clandestine enclave of potentates.[27] Bilderbergers are nothing more than an unofficial CFR expanded for international scale, according to Neal Wilgus.[28] The European Economic Community (EEC) and its political confederation is the upshot of a well-planned plot by Bilderberger efforts.

The Bilderberger Foundation was incorporated to bring about the union of all European nations into one economic, geopolitical, and militaristic entity. Their cause, according to Marr, just as it is the CFR's cause, is to bring about world government under the same model. Many of the Bilderberger members include or have included the Who's Who of European royalty and the world's elite,[29] such as Nelson Rockefeller, Henry Kissinger, Cyrus Vance, Donald Rumsfeld, Gerald Ford, Helmut Schmidt, Giscard D'Estaing, Edmond de Rothschild, Prince Bernard, Henry Grunwald (*Time* magazine), and Henry Heinz of HJ

Heinz Company.[30] More recent attendees to these meetings have been George Bush, Sr. and Jr., Bill Clinton, Margaret Thatcher, John Major, Tony Blair, Bill Gates, David Rockefeller, Conrad Black, and Steven Spielberg.[31]

We must include into the mix of elitist globalist organisations the renowned and infamous Club of Rome formed in 1968.[32] This organisation contains less than one hundred members, whom are all CFR members.[33] The Club of Rome is alleged by some to report to the little-known (Snake) Committee of 300. It claims to understand the *problematique* of how the world will survive pollution, war, industrial development, overpopulation and similar problems.[34] They claim to hold the keys to world peace and global prosperity through world government.

In 1973, the Club of Rome commissioned a report that was complete with contrived and anticipated apocalyptic problems and offered corresponding and supposedly ingenious resolution models for contrived future peak oil, population explosions, and the ever-popular global warming disasters.[36] This organisation's stealthy purpose is to oversee the regionalisation and then the unification of the entire world, which it has deviously divided into ten political and economic regions. Gary Kah rates the classification of this commission as one level higher than the Bilderbergers,[37] but it is still a Rex Deus-spawned organisation.

One last secret organisation of intrigue that demands notation is the ultra-secretive order George Bush Sr. belongs to, the Skull and Bones. This is a secret fraternal order that only operates at Yale University. As per Marrs, its graduating members make up the cloak-and-dagger inner circle within the CFR that controls CFR. Marrs notes that researchers point out that the order has been called the stepping stone to the CFR, Bilderbergers, and the Trilateral organisations. The emblem advertising the Skull and Bones is the crest for the Illuminati, while its insignia is the flag of the Knights Templar. Members are called "knights," fashioned after the Knights Templar. William Huntingdon Russell and Alphonso Taft, father to William Howard Taft, who later became President, imported the order out of Germany in 1832.[38]

Some prominent members of this secret society have been Henry Stimpson (Secretary of State under Roosevelt), Averill Harriman, Henry Luce (the publisher), and J. Richardson Dilworth (the longtime manager of the Rockefeller fortune). Others include low, Taft, Forbes, Coolridge, and Delano. The Skull and Bones was a political recruiting agency that centred on the Harriman, Whitney, Vanderbilt, Lord, Taft, Bundy, Rockefeller,[39] Perkins, Stimson, Weyerhaeuser, Gilam, Wadsworth, Payne, Davidson, Pillsbury, Sloane, Phillips, and Brown families.[40] Both the Morgan and Rockefeller families and companies were, and are, well represented in this order.[41] George W. purportedly appointed eleven Skull and Bones members to his administration.[42]

Only fifteen members per year are initiated, limiting total active membership to 500 to 600 at a time.[43] All are political dynamos and corporate juggernauts; being Skull and Bones equates to socialising with the world's elite. With explicit emphasis on their family heritage and bloodlines, they arrange marriages to "protect and advance their genetic pseudo-blue bloods," while these intermingled families help and support each other in their quests for financial, political, and genetic dominance.[44]

What we must understand is that these spurious forces are indeed at work on all national governments, at all levels of the world, including the United Nations, which is one of the most successful globalist offshoots. Following is a list of prominent American presidents and presidential candidates, along with their globalist connections, as a testimony to this conspiracy:[45]

The following additional Presidents were all Freemasons:

March 2020 I have become a full-time researcher and writer in reaction to the global takeover that came into full view with the introduction of covid-19. For most of my life, I have tried to raise awareness that a small group of people planned to take over the world for their own benefit. There was no way I was going to sit back quietly and simply let them do it once they made their final move.
